### VIBE TULIPA

"A flower box in a city apartment offers a moment of nature's perfect stillness, a splash of color and the aroma of a fresh country meadow. So too does VIBE TULIPA give the bather a moment of relief from the hectic life that defines modern urban living."

# BLOOM IN STYLE

Part of BainUltra's VIBE™ Collection, Tulipa, brings a new flair to the bathroom with its distinctive design and stylish feet.

It is through connecting with our deepest sense of self in the calming environment of the bath that we are able to find our inner strength and blossom.

Like the most vivid colors of a tulip flower, chromatherapy in the Tulipa bathtub recalls those beautiful natural colors while offering a powerful and healing experience to the bather.

BainUltra's VIBE Tulipa therapeutic baths are offered in the THERMOMASSEUR® category (with Geysair® hot air system) and in the TUB category, to which you can add Illuzio chromatherapy and WarmTouchShell® Thermotherapy® technologies.

Bathe, bloom and thrive with BainUltra's Tulipa.
